Dear Mr Weisberg,

Having just spent some time in Washington looking at FBI & other agency documents I was sifting through some of my copies and looked again at the internal search document herewith. I was puzzled by the seperation of Lee Henry Oswald (105-124685) and the file Lee Harvey Oswald files. I know your knowledge of the FBI File Classifications — is the "97" file to research classification?

yours &
Malcolm Blunt.
